LEASE

THIS AGREEMENT is made and entered into this **May 1, 2021** by and between Dharma Holdings, LLC 11709 E. Palmer-Wasilla Highway, Palmer, AK 99645. (Owner), and **Green Jar Palmer, LLC DBA: Green Jar (Tenant)**

For and in consideration of the rents, covenants, and conditions specified in this lease to be paid, performed and observed by Lessee, which are independent, Owner rents and leases to Lessee and Lessee takes and leases from Owner, the property described below upon the following terms, covenants and conditions:

1. **Leased Property.** Suite **420**, of the Dharma Palmer Building in Palmer, AK, located on Tract B, MONTE VISTO, ADDITION NO. 1, PHASE 1, Plat Number 83-241, according to the official plat thereof, records of the Palmer Recording District, Third Judicial District, State of Alaska, owned by Owner. The portion of the building leased and land on which it is situated are collectively referred to as "property" in this lease. **11709 E. Palmer-Wasilla Highway, Palmer, AK 99645**

- a) The agreed floor area of the leased unit on the property is approximately **2400** square feet.
- b) In addition to the above-described property, Lessee may have use of that portion of the land which is paved for parking until further notice (not a part of the lease terms).

The property is leased "as is" and the expense of any further or additional leasehold improvements, partitions or other improvements for the benefit of Lessee shall be borne by Lessee and constructed only in accordance with this lease.

2. **Term.** The initial term of this lease shall be for a period of Thirty-six (**36**) months (more or less), commencing on the **1st Day of May 2021**, and terminating at 12:00 midnight on the **30th Day of April 2024**.

The lease term will be for Thirty-Six (**36**) months, commencing **May 1, 2021**, and ending **April 30, 2041** unless sooner terminated as provided elsewhere in this lease.

Tenant has an option for a Three (3) year lease, at a base rate of \$2,400.00 per month, with 1.5% annual increases, with the renewal.

3. **Rent.**

Lessee must pay rent in advance on or before the 1st day of each month during the term of this lease, at the minimum monthly rate of **\$2,400.00**

- a) Monthly rent to increase three (3%) percent annually from a monthly base of \$2,400.00 in year one (1). For example in year 2 monthly rents would be \$2,472.00, year three (3) monthly rent would be \$2,546.16.

All rents due under the terms of this lease shall be payable in advance on the first day of each month. All rent checks shall be made payable to **Dharma Holdings, LLC 11709 E. Palmer-Wasilla Highway, Palmer, AK 99645**. Rent may be paid by personal check until a check is returned unpaid (NSF). If Landlord receives an NSF check, subsequent payments must be made by Cashier's Check, Certified Check, or Money Order. A service charge of **\$30.00** will be paid to Landlord for all dishonored checks each time they are presented to the bank. Rent not paid on or before the 7th day of the month is delinquent, and a late fee of \$25.00 will be due and payable in addition to the rent, plus an additional \$10.00 late fee for each day the rent remains unpaid, beginning the 8th day of the month.

4. Security Deposit: Lessee has on deposit to Owner the sum of **\$2,500.00** as security for the faithful payment and performance of the obligations of Lessee under this lease. Should Lessee default with respect to any such obligation, including, but not limited to, payment of rent, Owner may use, apply or retain the whole or any part of such deposit to the payment of any sum in default of any other sum which Owner may be required to spend or incur by reason of such default. In such event, Lessee shall, within 10 days of written demand, deposit with Owner the amount so applied so as to restore the security deposit to its original amount.

Should Lessee fully and faithfully pay and perform all of the obligations of Lessee under this lease, and not otherwise, the security deposit will be returned to Lessee, without interest, within 30 days after expiration of the term.

In the event of a sale or leasing of the building, Owner will have the right to transfer the security deposit to the vendee or other transferee, and Owner will thereupon be deemed released by Lessee from all liability for its return.

No assignment or encumbrance of the interest of Lessee in the security deposit shall bind Owner except upon its prior written consent.

5. Notices. Any notice or demand which under the terms of this lease or any statute may or must be given or made by either party to the other, must be in writing and made or given by mailing the same by certified mail, return receipt requested, postage prepaid, addressed to the other party as provided below. When so mail, the notice or demand will be effective three days after the mailing date. Any demand or notice by or from Owner will be effective when personally delivered to any person who is in charge of the property for Lessee. The addresses of the parties are:

Owner: Dharma Holdings, LLC
11709 E. Palmer-Wasilla Highway, Suite 907
Palmer, AK 99645

Lessee: **Green Jar Palmer, LLC**
DBA: Green Jar
11709 E. Palmer-Wasilla Highway, Suite 420
Wasilla, AK 99654

Either party may designate in writing a new or other address to which the notice or demand must thereafter be given, made or mailed. Furthermore, when for purposes of demand or notice Owner uses the address at location, which she/he customarily communicates with Lessee, the demand or notice will be effective.

6. Use: The property may be used only for: **Marijuana Retailer**. Should the sale of Marijuana be banned in the Mat-Su Borough, the tenant may change the nature of the business with the owner's approval.

The use of the property described above is a substantial and important basis of the negotiations between the parties. Owner and Lessee agree that the property must be used as described above and may not be used for any other purposes. A waiver of this provision is effective only upon the express and written consent executed by the Owner.

7. Assignment and Subletting. Lessee will neither assign the leasehold created hereby nor any interest hereunder for any purpose, including a security purpose, nor sublet the property or any part thereof. Any such assignment or sublease shall be void. Neither will there be nor will Lessee permit any assignment by operation of law of the leasehold or any interest created by this lease. Owner and Lessee agree that this provision is absolute and under no circumstances is Lessee to assign or sublet or attempt to assign or sublet any portion of the property. Owner may, but only upon a prior written request, waive this provision. The parties agree that any such waiver is effective only by the prior, express and written consent of Owner. If

Owner does waive this provision according to these terms, any assignment or sublease of the property will be subject to the following:

a) All assignments and sublettings must be in writing and duly executed by both parties. An executed original shall be delivered to Owner.

b) All assignment instruments must include language whereby assignee expressly assumes and agrees to pay the obligations of Lessee under this lease. No assignment shall release or diminish the obligations of Lessee for performance of Lessee's obligations hereunder and Lessee will remain liable as if no assignment were made. (That is, Lessee and assignee will be jointly and severally liable for such obligations.)

c) All sublease instruments must provide that the sublease is subject to all of the terms, covenants and conditions of this lease and must authorize Owner, at Owner's option, to collect rent from sublessee and apply it against the obligations of Lessee under this lease, without waiver of Owner's rights and remedies and without diminution of Lessee's obligations under this lease.

8. Encumbrances. The property is leased subject to easements, restrictions, reservations, conditions and covenants of record or appearing on the plat of the land; mortgages, deeds of trust and other security devices now or hereafter existing; governmental regulations, ordinances and statutes in effect now or in the future; and all other encumbrances of record.

9. Indemnification.

a) The Lessee will defend the Owner against all claims and lawsuits arising from any act, omission or negligence of the Lessee or the officers, contractors, licensees, agents, servants, employees, guests, invitees or visitors of Lessee in or about the property, or arising from any accident, injury or damage, including environmental and toxic waste damage or claims, however and by whomever caused, to any person or property occurring in or about the property. If a claim or lawsuit should be brought, the Owner may employ attorneys of his own selection to appear and defend the claim or lawsuit in his behalf, at the expense of the Lessee. The Owner will have the sole authority for the direction of the defense and will be the sole judge of the acceptability of any compromise or settlement of any claims or lawsuits against the Owner.

b) The Lessee further will save, hold harmless and indemnify the Owner for any and all damage, injury, loss, liability, costs, expenses, interest and attorney's fees that the Owner may suffer or become liable for as a result of claims or lawsuits arising out of the matters giving rise to the duty to defend described above. The Lessee's responsibility extends to liability resulting from the Owner's own negligence, but does not include the Owner's gross negligence, reckless or wanton conduct and willful misconduct.

c) The Lessee must give written notice to the Owner of any act or occurrence involving a claim, demand, liability, lawsuit or item of cost related to this agreement to defend and indemnify within seven days after the Lessee has knowledge of the act or occurrence. Failure of Lessee to gain such knowledge until some time after such act or occurrence will not excuse the giving of this notice, if in the exercise of reasonable care, the Lessee should have know of it.

10. Condemnation. If all of the property or such portions of the building as may be required for the reasonable use of the property is taken by eminent domain, this lease will automatically terminate as of the date Lessee is required to vacate the property and all rent must be paid to that date. In case of a taking of a part of the property, or a portion of the building not required for the reasonable use of the property, then this lease will continue in full force and effect and the rent will be equitably reduced based on the proportion by which the floor area of the property is reduced. The rent reduction is to be effective as of the

date possession of such portion is delivered to the condemning authority. Owner reserves all rights to damages to the property for any taking of eminent domain, and Lessee hereby assigns to Owner any right Lessee may have to such damages or award, and Lessee will make no claim against Owner for damages for termination of the leasehold interest or interference with Lessee's business. Lessee will have the right, however, to claim and recover from the condemning authority compensation for any loss to which Lessee may be put for Lessee's moving expenses and for the interruption of or damage to Lessee's business provided that such damages may be claimed only if they are awarded separately in the eminent domain proceeding and not as part of the damages recoverable by Owner.

11. Use, Occupancy and Care of the Leased Property: At all times during the term hereof, Lessee must:

- a) Keep the property and the land clean, safe and orderly, including front and rear outside walk areas for your unit, including removal of sidewalk snow/ice (directly in front of your unit);
- b) Conduct activities upon and generally maintain the property in such a manner with such care that injury to persons and damage to property does not result therefrom;
- c) Not use the property in such manner that will increase the rate of fire and extended coverage insurance, or which will cause cancellation of the insurance or will make coverage unavailable;
- d) Make no alterations or improvements in the property or incorporate fixtures therein without the written consent of the Owner, except as provided in this lease;
- e) Not damage the property or the building while moving equipment to, within and from the property;
- f) Not use any plumbing facilities in the building except for their intended purposes;
- g) Not use or permit any part of the property to be used for any unlawful or unauthorized purposes;
- h) Comply with Borough, State, and other governmental laws, statutes, ordinances, rules and regulations of whatever type and nature, including, but not limited to, zoning ordinances, health, fire, safety and environmental regulations, including the maintenance of fire extinguishers and emergency lights on the property;
- i) Not cause or permit any waste, damage or injury to the property;
- j) Keep the property as now or hereafter constituted with all improvements made thereto;
- k) Replace at Lessee's own expense all broken glass, and replace light bulbs as required;
- l) Remove from property, the building, and the land all movable personal property placed there by Lessee at the expiration or termination of this lease.

12. Signs. Lessee may erect, install, post or other-wise place any signs on the exterior of the building or on the property only with the prior written approval of the Owner. Owner may demand the removal of signs which are not so approved, and Lessee's failure to comply with such a request within 48 hours will constitute a breach of this paragraph and will entitle Owner to terminate this Lease to cause the sign to be removed and the building repaired at the sole expense of the Lessee. At the termination of this lease, Lessee will remove all signs placed by it upon the premises, and will repair any damages caused by such removal. All signs must comply with governmental sign laws, regulations, and permit requirements.

13. Removal of Property. If lessee fails to remove any of his property of any nature whatsoever from the property at the expiration or termination of this lease, or when Owner has the right of re-entry, Owner may, at his option, remove and store said property without liability for loss thereof and damage thereto, such storage to be for the account and at the expense of lessee.

Except as follows: **If any Marijuana or Marijuana products are left on the premise the owner or property manager will contact AMCO Enforcement to remove them from the premise.**

If Lessee does not pay the cost of storing any such property within 3 days of receipt of notice given by Owner pursuant to Paragraph 5 hereof, Owner may sell the property at either public or private sale, and in a manner and at such times and places as Owner in his sole discretion deems proper, so long as such sale would be deemed commercially reasonable under the Uniform Commercial Code for sales of repossessed collateral. Owner will apply the proceeds of the sale: first, to the cost and expense of the sale, including a reasonable attorney's fee actually incurred; second, to the payment of the costs or charges for storing any such property; third to the payment of any other sums of money which may then be or thereafter become due Owner from Lessee under any of the terms of this lease; and fourth, the balance if any, to the Lessee. As an alternative to the foregoing, Owner may distrain Lessee's property for rent.

14. Utilities and Services: Lessee must have all utilities and services placed in his name, and pay any required utility deposits within 10 days of the date of this lease. Lessee agrees that should Lessee fail to have utilities placed in his name by the 10th day after the date of this lease, Lessee will pay to Owner the sum of \$50.00 and an additional \$50.00 for each succeeding month in which the utilities are not placed in Lessee's name.

In addition to the \$50.00 fee(s) described above, Lessee agrees to reimburse Owner for all utilities paid by Owner for the leased property during the term of this lease. Lessee will be financially responsible for the various utilities as follows:

- a) Electricity
- b) Gas and Fuel Oil
- c) Trash Removal
- d) Telephone
- e) Janitorial

15. Default:

a) The occurrence of one or more of the following events will constitute a default and breach of this lease by the Lessee:

i) Violation or breach or failure to keep or perform any covenant, agreement, term or condition of this lease which continues or is not remedied within 20 days (or for rent with 7 days)

ii) Vacation or abandonment of the property by Lessee. Lessee will be deemed to have abandoned or vacated the premises upon failure to be open for business for 7 consecutive days.

iii) Property remaining unoccupied for a period of 7 days.

iv) Dissolution, other termination of existence, or insolvency in any sense of Lessee or its business.

v) Filing by or against Lessee in any court pursuant to any statute, either of the United States or any State, for the appointment of a receiver or trustee of all or a

portion of the Lessee's property, or an assignment by the Lessee for the benefit or creditors.

b) No notice specifying the matter or matters claimed to be in default from Owner to Lessee is required.

c) Failure to perform a covenant or fulfill a condition, agreement, to term contained herein constitutes a default regardless of other consequences of such failure as provided for herein, as in the case where an assignment or sublease without consent is void.

d) Upon occurrence of a default, or defined in "A" above, Owner may at his option declare Lessee's rights under this lease immediately terminated, re-enter the property using such force as is necessary, and without further notice, remove all persons and property from the property and repossess it. Owner shall be deemed to have an immediate right to possession of the property and Lessee must peacefully surrender the same.

No judicial action will be necessary to effect such termination.

e) At any time after termination Owner may, but will not be obligated to relet the property or any part thereof in the name of the Owner, or otherwise, for a term (which may be greater or less than the period which would otherwise have constituted the balance of the term of this lease) and on such conditions as Owner may determine appropriate, and may collect and receive the rent therefor, Owner will not be responsible or liable for any failure to relet the property or any part thereof, or for any failure to collect any rent due upon any such reletting.

No Member shall be required to contribute any amount in excess of such Members Capital Commitment (as such Capital Commitment may be increased pursuant to subparagraph (a)) without such Members written consent. Any capital contributions hereunder with respect to the Capital Commitments of the Members (each a Capital Contribution) shall be made in such amount as shall be specified by the Managing Members and any such contributions required hereunder shall be in proportion to the Members respective Capital Commitments.
- b) In addition to the Capital Commitments set forth on Exhibit A, the Managing Members shall make additional Capital Contributions to fund any excess of the Company startup expenses. Green Jar Cannabis Percentage Interest shall not be increased as a result of such Capital Contributions.

5.2. Liability of the Members

- a) Except as expressly set forth herein, or as otherwise required by law, no Member shall be liable for any debts or obligations of the Company.

5.3. Liability of Transferees

For purposes of this Agreement, any transferee of an interest in the Company, whether or not admitted as a substitute Member or treated as a transferee or successor in interest who has not been admitted as a substitute Member (an Assignee) hereunder, shall be treated as having contributed the amounts contributed to the Company by the transferor, as having received distributions made to the transferor, and as having been allocated any Net Income or Net Loss allocated to the transferor of the interest in the Company held by the transferee. In addition, the transferee shall be liable for the transferors liability for future contributions to the Company. Notwithstanding the above, the transfer of an interest shall not relieve the transferor from any liability hereunder except to the extent that the transferee has actually made all contributions or payments required of the transferor.

5.4. Defaulting Members

- a) If a Non-Managing Member fails to pay any amount which it is required to pay to the Company on or before the date when such amount is due and payable, such Non-Managing Member shall be deemed to be in default hereunder (a Defaulting Member), and written notice of default shall be given to such Non-Managing Member by the Managing Members. The Company shall be entitled to enforce the obligations of each Non-Managing Member to make the contributions to capital specified in this Agreement, and the Company shall have all remedies available at law or in equity in the event any such contribution is not so made. In the event of any legal proceedings relating to a

default by a Defaulting Member, such Defaulting Member shall pay all costs and expenses incurred by the Company, including attorney's fees, if the Company shall prevail. Further, such Defaulting Member shall be obligated to pay the Company interest with respect to the amount of any capital contribution not made when required by this Agreement, with such interest commencing on the date such contribution is initially due and ending on the date such contribution is made to the Company. Such interest shall be calculated on the basis of the then current reference rate announced by Credit Union 1 or by any other US commercial bank with capital in excess of 10 million selected by the Managing Members, plus three percent (3%) per annum.

- b) In addition to the remedies provided under Paragraph 5.4(a), if the Defaulting Member does not remedy a default in the payment of a required contribution within 10 business days of the receipt of the notice specified in Paragraph 5.4(a): (i) the Defaulting Member shall no longer have the right (if any) to vote on any Company matter, and (ii) if the Managing Members so elect, the other Members shall have the option to pay the remaining capital contributions of the Defaulting Member in accordance with any procedures and in such proportions as may be established by the Managing Members. In such event, such Defaulting Member shall be deemed to have withdrawn from the Company and to have forfeited its interest in the Net Income and Net Losses of the Company. Such Defaulting Member shall be entitled to receive only the amount of its Capital Account at the time of the default, with such amount payable, without interest, to the Defaulting Member upon the dissolution of the Company.

6. CAPITAL ACCOUNTS AND ALLOCATIONS

6.1. Capital Accounts

A Capital Account shall be maintained on the Company books for each Member. In the event any interest in the Company is transferred in accordance with the terms of this Agreement, the transferee shall succeed to the Capital Account of the transferor to the extent it relates to the transferred interest.

6.2. Definitions

- a) **Book Value.** The Book Value with respect to any asset shall be the assets adjusted basis for federal income tax purposes, except as follows:
 - 1) The initial Book Value of any asset contributed by a Member to the Company shall be the fair market value of such asset at the time of contribution, as determined by the contributing Member and the Company.
 - 2) At the discretion of the Managing Members, the Book Values of all Company assets may be adjusted to equal their respective fair market values, as determined by the Managing Members, and the amount of such adjustment shall be treated as Net Income or Net Loss and allocated to the Capital Accounts of the Members, as of the following times: (A) the acquisition of an additional interest in the Company by any new or existing Member in exchange for more than a de minimis capital contribution; and (B) the distribution by the Company to a Member of more than a de minimis amount of Company assets in connection with an adjustment of such Members interest in the Company.

- 3) The Book Values of all Company assets shall be adjusted to equal their respective fair market values, as determined by the Managing Members, and the amount of such adjustment shall be treated as Net Income or Net Loss and allocated to the Capital Accounts of the Members, as of the following times: (A) the date the Company is liquidated within the meaning of United States Treasury, Chapter 11; and (B) the termination of the Company pursuant to the provisions of this Agreement.
- 4) The Book Values of the Company assets shall be increased or decreased to the extent required under United States Code Title 26 in the event that the adjusted tax basis of the Company assets is adjusted.

The Capital Account of each Member shall be increased by:

- 2) such Members share of Net Income (or items thereof) allocated to his Capital Account pursuant to this Agreement, and
- 3) any other amounts required by federal or state law, provided the Managing Member determines that such increase is consistent with the economic arrangement among the Members as expressed in this Agreement.

and shall be decreased by:

- A) the amount of money and the fair market value of any property distributed by the Company (determined pursuant to Paragraph 12.2 hereof as of the date of distribution) to such Member pursuant to the provisions of this Agreement (net of any liabilities secured by such property that such Member is considered to assume or hold subject to for purposes of Section 336 of the IRS code Title 26,

- d) Fiscal Year. The Company Fiscal Year shall begin on the date of this Agreement and end on December 31st. Thereafter, the Company Fiscal Year shall commence on January 1st of each year and end on December 31st of such year or, if earlier, the date the Company terminated during such year.  - 1) including as income or deductions, as appropriate, any tax-exempt income and related expenses that are neither properly included in the computation of taxable income nor capitalized for federal income tax purposes;
 - 2) including as a deduction when paid or incurred (depending on the Company method of accounting) any amounts utilized to organize the Company or to promote the sale of (or to sell) an interest in the Company;
 - 3) including as a deduction any losses incurred by the Company in connection with the sale or exchange of property notwithstanding that such losses may be disallowed to the Company for federal income tax purposes; and
 - 4) calculating the gain or loss on disposition of Company assets and the depreciation, amortization or other cost recovery deductions, if any, with respect to the Company assets by reference to their Book Value rather than their adjusted tax basis.

- g) Sale or Exchange. A sale, exchange, liquidation or similar transaction, event or condition with respect to any assets (except realizations of purchase discounts on commercial paper, certificates of deposit or other money-market instruments) of the Company of the type that would cause any realized gain or loss to be recognized for income tax purposes under the Code.

6.3. Allocation of Net Income or Loss

- a) All Net Income or Loss of the Company attributable to the Company or its investments shall be allocated among the Members in proportion to their Percentage Interests.

7. EXPENSES

8.1. Interest

No interest shall be paid to any Member on account of his interest in the capital of, or on account of his investment in, the Company.

8.3. Discretionary Distributions

The Managing Members may in their discretion make additional distributions of cash or Securities among the Members (not including any Defaulting Members).

- a) The distribution pursuant to this Paragraph 8.3 shall be made among the Members as follows (with the source of a particular distribution being in the discretion of the Managing Members):
 - 1) Among the Members in proportion to their respective shares of the cumulative amount of undistributed Net Income attributable to the Company to the extent made from such undistributed Net Income.
 - 2) Among the Members in proportion to their Capital Contributions to the extent constituting a return of capital.
- b) Immediately prior to any distribution in kind of Securities (or other assets) pursuant to any provision of this Agreement, the difference between the fair market value and the Book Value of any Securities (or other assets) distributed shall be allocated to the Capital Accounts of the Members as Net Income or Net Loss pursuant to Article VI.

No Member may sell, assign, pledge, mortgage or otherwise dispose of all or any portion of his interest in the Company without the consent of the Managing Members.

9.2. Opinion of Counsel

Notwithstanding any other provision of this Agreement, no transfer or other disposition of an interest in the Company shall be permitted until the Managing Members shall have received, or waived receipt of, an opinion of counsel reasonably satisfactory to them that the effect of such transfer or disposition would not:

- a) result in a violation of the Securities Act;
- b) require the Company to register as an investment company under the US Investment Company Act of 1940 (Title 15, Chapter 2D), as amended;
- c) require the Company or the Fund to register as an investment adviser under the US Investment Company Act of 1940 (Title 15, Chapter 2D), as amended;
- d) result in a termination of the Company for tax purposes, if such termination would have a material adverse effect on the Members;
- e) result in a violation of any law, rule or regulation by the Members or the Company;

- f) cause the Company to be characterized as a publicly traded partnership or materially increase the risk that the Company will be so characterized.

Such legal opinion shall be provided to the Managing Members by the Company counsel. All costs associated with such opinion shall be borne by the transferring Member.

9.3. Violation of Restrictions

In the event of any purported transfer or other disposition of any Members interest in the Company in violation of the provisions of this Article IX, without limiting any other rights of the Company, the Managing Members shall have the option, in their sole discretion, to treat the Member as having withdrawn from the Company and to purchase or cause the Company to purchase such Members interest for cash at a price equal to the value thereof determined by the Managing Members as of a date selected by them. In the event of purchase, the terminated Members and the remaining Members interests in the Company shall be appropriately adjusted, and the subject Member (and his purported transferee) shall have no further interest in the Company except to receive the purchase price, if any, for his interest as determined by the Managing Members. Such option must be exercised, if at all, by written notice to the affected Member (or his successor(s) in interest) given not later than 30 days after the Managing Members are advised in writing of the purported transfer or disposition, and the purchase or withdrawal shall be consummated on the date specified in such notice, which shall not be later than 30 days after it is given.

9.4. Agreement Not to Transfer

Each of the Members agrees with all other Members that he, she or it will not make any disposition of his, her or its interest in the Company, except as permitted by the provisions of this Article IX.

9.5. Multiple Ownership

In the event of any disposition which shall result in multiple ownership of any Members interest in the Company, the Managing Members may require one or more trustees or nominees to be designated to represent a portion of or the entire interest transferred for the purpose of receiving all notices which may be given and all payments which may be made under this Agreement and for the purpose of exercising all rights which the transferor as a Member had pursuant to the provisions of this Agreement.

9.6. Substitute Members

No transferee of a Members interest may be admitted to the Company as a substitute Member without the consent of the Managing Members, which consent shall be subject to the sole discretion of the Managing Members and shall not be subject to challenge by any transferor or transferee.

10. VESTING OF PERCENTAGE INTERESTS

The interest in the Company of any Member shall vest in accordance with a vesting schedule (if any) established by the Managing Members. Any amounts allocated to Members that, for any reason, do not vest shall revert to the Members whose interest in such amounts were diluted by the original allocation of such amounts to such Non-Managing Member or Additional Member.

11. DISSOLUTION AND LIQUIDATION OF THE COMPANY

11.1. Liquidation Procedures

Upon termination of the Company in accordance with Article II:

- a) The business of the Company shall be wound up and the Company shall be dissolved. The Managing Members shall serve as the liquidators.
- b) Distributions in dissolution may be made in cash or in kind or partly in cash and partly in kind.
- c) The Managing Members shall use their best judgment as to the most advantageous time for the Company to sell investments or to make distributions in kind provided that any such sales shall be made as promptly as is consistent with obtaining the fair value thereof.
- d) The proceeds of dissolution shall be applied to payment of liabilities of the Company and distributed to the Members in the following order:
 - 1) to the creditors of the Company in the order of priority established by law;
 - 2) to the Members, in respect of the positive balances in their Capital Accounts, after all Net Income or Net Loss arising upon the liquidation (including amounts arising in connection with a distribution of Securities) has been allocated among the Members.

12. FINANCIAL ACCOUNTING AND REPORTS

12.1. Tax Accounting and Reports

The Managing Members shall cause the Company tax returns, to be prepared and delivered in a timely manner to the Non-Managing Members (but in no event later than 120 days after the close of each of the Company Fiscal Years).

12.2. Valuation of Securities and Other Assets Owned by the Company

- a) Subject to the specific standards set forth below, the valuation of Securities and other assets and liabilities under this Agreement shall be at fair market value. In determining the value of the interest of any Member or in any accounting between the Members, no value shall be placed on the goodwill or the name of the Company.
- b) The following criteria shall be used for determining the fair market value of Securities.
 - 1) Securities not subject to investment letter or other similar restrictions on free marketability:
 - A) If actively traded over-the-counter, the value shall be deemed to be the closing bid price of such Security on the valuation date.
 - B) If there is no active public market, the Managing Members shall make a determination of the fair market value on the valuation date, taking into consideration developments concerning the issuing company subsequent to the acquisition of its Securities, the pricing of other private placements of Securities by the issuer, the price of the Securities of other companies comparable to the issuer, any financial data and projections of the issuing company provided to the Managing Members and such other factor or factors as the Managing Members may deem relevant.
 - 2) In the case of Securities subject to legal or contractual restrictions on free marketability, appropriate adjustments to the value determined under

Paragraph 12.2(b)(1) above shall be made to reflect the effect of the restrictions on transfer.

- 3) If the Managing Members in good faith determine that, because of special circumstances, the valuation methods set forth in this Paragraph 12.2 do not fairly determine the value of a Security, the Managing Members shall make such adjustments or use such alternative valuation method as they deem appropriate.

12.3. Supervision; Inspection of Books

Proper and complete books of account of the Company shall be kept under the supervision of the Managing Members at the principal office of the Company. Such books shall be open to inspection by a Non-Managing Member, at any reasonable time, upon reasonable notice, during normal business hours.

12.4. Confidentiality

All information provided to Non-Managing Members under this Article XII shall be used by Non-Managing Members in furtherance of their interests as Non-Managing Members and, subject to disclosures required by applicable law, each Non-Managing Member hereby agrees to maintain the confidentiality of such financial statements and other information provided to Non-Managing Members hereunder.

13. OTHER PROVISIONS

13.1. Execution and Filing of Documents

The Managing Members shall execute and file a Certificate conforming to the requirements of US and Alaska law and shall execute a fictitious business name statement and file or cause such statement to be filed if required by Alaska law.

13.2. Other Instruments and Acts

The Members agree to execute any other instruments or perform any other acts that are or may be necessary to effectuate and maintain the Company.

13.3. Binding Agreement

This Agreement shall be binding upon the transferees, successors, assigns and legal representatives of the Members.

13.4. Governing Law

This Agreement shall be governed by and construed under the laws of the State of Alaska as applied to agreements among Alaska residents made and to be performed entirely within Alaska.

13.5. Notices

Any notice or other communication that a Member desires to give to another Member shall be in writing and shall be deemed effectively given upon personal delivery or upon deposit in any US mail box, by registered or certified mail, postage prepaid, or upon transmission by email, addressed to the other Member at the address shown in the exhibits attached to this Agreement or at such other address as a Member may designate by 10 days advance written notice to the other Members.

13.6. Power of Attorney

By signing this Agreement, each Non-Managing Member designates and appoints each of the Managing Members as its true and lawful attorney, in its name, place and stead to make, execute, sign and file such instruments, documents or certificates that may from time to time be required of the Company by the laws of the United States, the laws of the State of Alaska or any other state in which the Company shall conduct its investment activities in order to qualify or otherwise enable the Company to conduct its business in such jurisdictions; provided, however, that in no event shall the Managing Members be deemed to have the authority under this Paragraph 13.6 to take any action that would result in any Non-Managing Member losing the limitation on liability afforded hereunder.

13.7. Amendment Procedure

This Agreement (and any exhibits to this Agreement) may be amended only with the written consent of the Managing Members. No amendment shall, however, (i) enlarge the obligations of any Member under this Agreement without the written consent of such Member, (ii) dilute the relative interest of any Member in the Net Income, Net Loss, distributions or capital of the Company without the written consent of such Member (except such dilution as may result from additional capital contributions from the Members or the admission of Additional Members as specifically permitted pursuant to this Agreement or as a result of a termination or withdrawal of a Non-Managing Member), or (iii) alter or waive the terms of this Paragraph 13.7 or Paragraphs 13.14. The Managing Members shall promptly furnish copies of any amendments to this Agreement and the Company Certificate to all Members.

13.8. Effective Date

This Agreement shall be effective on the date set forth at the beginning of this Agreement.

13.9. Entire Agreement

This Agreement constitutes the entire agreement of the Members and supersedes all prior agreements between the Members with respect to the Company.

13.10. Titles; Subtitles

The titles and subtitles used in this Agreement are used for convenience only and shall not be considered in the interpretation of this Agreement.

13.11. Company Name

The Company shall have the exclusive ownership and right to use the Company name (and any name under which the Company shall elect to conduct its business) as long as the Company continues.

13.12. Exculpation

Neither the Managing Members nor their Affiliates shall be liable to a Non-Managing Member or the Company for honest mistakes of judgment, for action or inaction taken reasonably and in good faith for a purpose that was reasonably believed to be in the best interests of the Company, for losses due to such mistakes, action or inaction, or to the negligence, dishonesty or bad faith of any employee, broker or other agent of the Company, the Managing Members or their Affiliates provided that such employee, broker or agent was selected, engaged or retained and supervised with reasonable care, provided that this Paragraph 13.12 shall not extend to any action which constitutes fraud, willful misconduct or gross negligence. The Managing Members may consult with counsel and accountants in respect of Company business and be fully protected and justified in any action or inaction that is taken in accordance with the advice or opinion of such counsel or accountants,

provided that they shall have been selected with reasonable care. Notwithstanding any of the foregoing to the contrary, the provisions of this Paragraph 13.12 and of Paragraph 13.13 hereof shall not be construed so as to relieve (or attempt to relieve) any person of any liability by reason of recklessness or intentional wrongdoing or to the extent (but only to the extent) that such liability may not be waived, modified or limited under applicable law, but shall be construed so as to effectuate the provisions of this Paragraph 13.12 and of Paragraph 13.13 to the fullest extent permitted by law.

13.13. Indemnification

The Company agrees to indemnify, out of the assets of the Company only, the Managing Members and their Affiliates (and their agents), to the fullest extent permitted by law and to save and hold them harmless from and in respect of all (a) reasonable fees, costs, and expenses paid in connection with or resulting from any claim, action or demand against the Managing Members, their Affiliates or any agent thereof, the Company or their agents that arise out of or in any way relate to the Company, its properties, business or investments and (b) such claims, actions and demands and any losses or damages resulting from such claims, actions and demands, including amounts paid in settlement or compromise of any such claim, action or demand; provided, however, that this indemnity shall not extend to conduct not undertaken in good faith nor to any fraud, willful misconduct or gross negligence. Any person receiving an advance with respect to expenses shall be required to agree to return such advance to the Company in the event it is subsequently determined that such person was not entitled to indemnification hereunder. Any indemnified party shall promptly seek recovery under any other indemnity or any insurance policies by which such indemnified party may be indemnified or covered or from any portfolio company in which the Company has an investment, as the case may be. No payment or advance may be made to any person under this Paragraph 13.13 to any person who may have a right to any other indemnity (by insurance or otherwise) unless such person shall have agreed, to the extent of any other recovery, to return such payments or advances to the Company.

13.14. Limitation of Liability of Members

Except as otherwise expressly provided herein or as required by Alaska law, no Member shall be bound by, nor be personally liable for, the expenses, liabilities or obligations of the Company in excess of the balance of such Members Capital Commitment to the Company.

13.15. Arbitration

Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by arbitration in Alaska, in accordance with the rules, then obtaining, of the American Arbitration Association. Any award shall be final, binding and conclusive upon the parties. A judgment upon the award rendered may be entered in any court having jurisdiction thereof.

14. MISCELLANEOUS TAX COMPLIANCE PROVISIONS

14.1. Substantial Economic Effect

The provisions of this Agreement are intended to comply generally with the provisions of US Treasury Regulation Title 15, and shall be interpreted and applied in a manner consistent with such Regulations; and, to the extent the subject matter thereof is otherwise not addressed by this Agreement, the provisions of US Treasury Regulations Title 15 are hereby incorporated by reference unless the Managing Members shall determine that such incorporation will result in economic consequences inconsistent with the economic arrangement among the Members as expressed in this Agreement. In the event the Managing Members shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto, are computed or allocated or the manner in which distributions and contributions upon liquidation (or otherwise) of the Company

(or any Members interest therein) are effected in order to comply with such Regulations and other applicable tax laws, or to assure that the Company is treated as a partnership for tax purposes, or to achieve the economic arrangement of the Members as expressed in this Agreement, then, notwithstanding anything in this Agreement to the contrary, the Managing Members may make such modification, provided that it is not likely to have a material detrimental effect on the tax consequences and total amounts distributable to any Non-Managing Member pursuant to Articles VIII and XI as applied without giving effect to such modification. The Managing Members shall also (i) make any adjustments that are necessary or appropriate to maintain equality between the Capital Accounts of the Members and the amount of Company capital reflected on the Company balance sheet, as computed for book purposes pursuant to this Agreement, in accordance with Regulations Section Title 15, and (ii) make any appropriate modifications in the event unanticipated events (such as the incurrence of nonrecourse indebtedness) might otherwise cause the allocations under this Agreement not to comply with US Treasury Regulations Section Title 15, provided in each case that the Managing Members determine that such adjustments or modifications shall not result in economic consequences inconsistent with the economic arrangement among the Members as expressed in this Agreement.

14.2. Income Tax Allocations

- a) Except as otherwise provided in this paragraph or as otherwise required by the Code and the rules and Treasury Regulations promulgated thereunder, income, gain, loss, deduction, or credit of the Company for income tax purposes shall be allocated in the same manner the corresponding book items are allocated pursuant to this Agreement.
- b) In accordance with US Code Section Title 15 and the US Treasury Regulations thereunder, income, gain, loss and deduction with respect to any asset contributed to the capital of the Company shall, solely for tax purposes, be allocated between the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its initial Book Value.
- c) In the event the Book Value of any Company asset is adjusted pursuant to the terms of this Agreement, subsequent allocations of income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Book Value in the same manner as under US Code Section Title 15 and the Treasury Regulations thereunder.

14.3. Withholding

The Company shall at all times be entitled to make payments with respect to any Member in amounts required to discharge any obligation of the Company to withhold or make payments to any governmental authority with respect to any federal, state, local or other jurisdictional tax liability of such Member arising as a result of such Members interest in the Company. Any such withholding payment shall be charged to the Members Capital Account.

IN WITNESS WHEREOF, the Members have executed this Agreement as of the date above written.
